FUND OVERVIEW

- Morex Capital Corp. is a Mortgage Investment Corporation (MIC) established in 2012 with its head office in Ontario, Canada
- Morex Capital Corp. is a non-bank provider of short term first and second mortgages to residential borrowers primarily in the Greater Toronto Area
- Focus on capital preservation combined with steady quarterly income distribution to investors
- Mortgage terms are 12 months or less; this short duration reduces risk and maximizes borrower turnover and resetting of terms to accommodate for changing market conditions
- Proven track record of stable, uncorrelated returns, paid quarterly
- Investments are eligible for: TFSA, RRSP, LIRA, RRIF
- We have a constant stream of mortgage investment opportunities available to our Fund through strategic alliances with Licenced Mortgage Brokers
